**Payment Terms for Individuals paying for themselves**

Cervical Smear Training and Contraception and Sexual Health course registration by an individual will not be confirmed until a **deposit of $480** has been paid by the closing date for the course. The balance is to be paid at the time of the course.

Currently this deposit cannot be paid for via debit or credit card on our website so please select a different payment option when registering.

Any course participant who has not paid in full will not receive a certificate or be able to progress to the smear assessment. The deposit will be retained by Family Planning unless a refund is due as per the terms and conditions.

To comply with the Education Act 1989 and Student Fee Protection Rules 2013, Family Planning cannot accept deposits greater that that stated above for individuals paying fees. Please do not do so as this would contravene the terms and conditions Family Planning has with the New Zealand Qualification Authority (NZQA).
